Parts Ordering Information

If you need service or parts for your unit or engine:

For service assistance or parts, contact your local authorized dealer or call or write to the factory. When ordering parts for your unit, provide the following: Serial number and model number of the unit, part number of part needed, part description and the quantity needed. For engine service or parts, contact your local authorized engine dealer. Look in the yellow pages of the phone book under "Engines—Gasoline" for the name of your nearest authorized engine dealer. An authorized engine dealer can handle all parts, repairs, and warranty service concerning the engine.

Note:

All of our replacement parts must conform to rigid quality specifications. Some replacement parts we provide may vary slightly in shape, color or texture from the original parts, but will not affect unit performance.

Record your unit's model number and serial number.

When ordering any parts from us or your local servicing dealer, provide the information on the unit's model/serial number decal.

WARNING

WE URGE USING ONLY GENUINE REPLACEMENT PARTS, WHICH MEET ALL THE LATEST REQUIREMENTS. REPLACEMENT PARTS MANUFACTURED BY OTHERS COULD PRESENT SAFETY HAZARDS, EVEN THOUGH THEY MAY FIT ON THIS UNIT!

IMPORTANT:

Left and right sides of the unit are determined by standing behind the unit, in the operator's position, and facing the direction of forward travel.

NOTICE:

We reserve the right to change specifications, add improvements or discontinue the manufacture of any of our equipment without notice or obligation to purchasers of our equipment.

For customer assistance, contact your nearest authorized dealer or:
